Jails - Establishment - Temporary - Central Jail - Bellary - Employment of an additional teacher of the higher elementary grade for a period of one year - Sanctioned

(a) Adequacy, inadequacy or superfluity and requirement for remedy.	Inadequate. There is only a Telugu teacher of the Hg Higher Ele. Grade, while a convict teaches urdu and another convict teaches Kannada.

Remarks of the Superintendent, Central Jail, Bellary:-

(iii) (a) I agree with the District Education Officer that the teaching staff is inadequate. One more teacher will answer the purpose, as the jail cannot be depending upon convict assistants always. To enforce proper literacy among the prisoners to learn their 3R's, the teaching staff should be strengthened and it is not possible for one man to manage the entire field of study. Further, when the teacher all on a sudden reports sick, goes on casual leave and the like, there is no other teacher to take up his work and carry on. I request that the Inspector General of Prisons may kindly take up the question of providing one more teacher.

JAILS - Establishmeht - Central Jail, Bellary - Appointment of an additional higher elementary grade teacher.

From the I.G. of Prisons, No.Roc.1410-B4-47 dated 11-10-47.

The I.G. of Prisons has proposed the employment of one additional teacher in the Higher elementary grade in the Central Jail, Bellary. Education is compulsory for all prisoners under 30 years of age and optional to others. Jail schools are regularly inspected by the officers of the Educational Department and their suggestions are given effect to as far as possible. After an inspection of the jail school at Bellary, the District Educational Officer, Bellary has remarked that the teaching staff is inadequate. The existing teaching staff consists of only one Higher Elementary Grade telugu teacher and two convict assistants teaching Urudu and Kanarese respectively, whereas there are 57 pupils and five standards in the school. The Superintendent, Central Jail, Bellary agrees with the D.E.O. and remarks that staff should be strengthened. The I.G. of Prisons has agreed with the Superintendent and recommended the appointment of an additional teacher of the Higher Elementary Grade in the Central Jail, Bellary. [The I.G. states that efforts will be made to appoint a bilingual teacher in the new post, as he will be more useful, if sanctioned.]

2. Under the Madras Educational Rules there should ordinarily be at least one teacher for every 35 pupils but this rule is not generally recognised in jail schools. However in view of the D.E.O's remarks that the staff is inadequate and in view of the fact that there is only one teacher to handle five standards with 57 pupils it is for orders whether the proposal may be approved.
